RE: **A307 A-Z Foam Products**
Annacis Island, Delta, British Columbia, Canada
26/03/01 q1 Open Cell Polyurethane Foam Liner (for shellfish only)

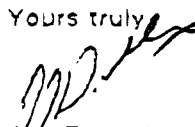

This is in reference to your submission, concerning the aforementioned open cell polyurethane foam for which you have requested acceptance for use in federally registered food establishments.

Based on the available information, no objection would be taken to the use of the above polyurethane foam for use as a liner for packaging shellfish in registered establishments.

This acceptance is not to be misconstrued as an endorsement for this or similar polyurethane foam, and their use in Registered Establishments will depend upon their continued acceptability to all concerned.

Should any changes occur in the chemical formulation of the aforementioned polyurethane foam, then this acceptance will be considered **NULL** and **VOID**.

Yours truly
